## TESTIMONIALS

**Christelle C.**  
Research Support

"Are you looking for someone to simplify your understanding of research methodology? Monique is the Researcher you should tag along with. She has impressive research skills, and she is a great guide when it comes to structuring research proposals."

**Courage T.**  
Graduate School Application support

"Monique has a vision to impact the next generation of young leaders in Africa. She is passionate about youth development and offers that passion to those she mentors, like me."

# SUPPORTED

By Dr K.

SUPPORT THAT STRENGTHENS YOUR AGENCY FOR  
ACADEMIC AND CAREER GROWTH

## ABOUT US

Through this SupportED, Dr Monique Kwachou provides tailored academic and professional mentoring to help you reach your goals.

Drawing on her experience as a researcher, educator, and multiple scholarship awardee, she offers practical, hands-on support in educational counselling, research supervision, and career development.

Services range from support for scholarship and job applications to interview preparation, academic writing and publication support, to research guidance, and long-term career mentoring.

With Dr Kwachou's support, you gain the clarity, tools, and confidence to thrive, whether in the classroom, the workplace, or beyond.
